

# Feed the Hungry

Santa Fe Catholic High School is proud to partner with the four other Catholic Schools within Polk County for an exciting service project that will kick off our Catholic Schools Week!

**Everyone is invited, students and families**, to join us to assemble thousands of meals for the poor and hungry right here within our own community. Many organizations, schools and churches around our nation participate in such projects every year. It's rewarding and fun for all participants. Some of our local parish families helped with a similar project and had a great time.

As part of the project, we must raise funds to cover the cost of the food and provide the man power to package the bags. The meals cost \$.22 each. The more money we raise, the more people that we can feed. Our school's goal is to collect \$4,000.

The Meal Packing Event will be held the morning of Saturday, January 30, 2016 in our Santa Fe Catholic High School Gymnasium. We will need many participants to help make this event a success. Make this a family event and give back together! Parents and students need service hours, so please take advantage of this opportunity! The food packaging is on a first sign up, first ok to participate.

**Contact Ms. McBride with the information below**

bmcbride@santafecatholic.org

I wish to make a donation towards the project or sponsor a student who would like to participate.

**Name:** \_\_\_\_\_

\_\_\_\_\_ My student/family will assist with the event.

# of people attending: \_\_\_\_\_

\_\_\_\_\_ Unfortunately we cannot participate, please accept my donation to help fund this project.
