

Santa Fe Catholic High School Prayer and Memorial Garden Commemorative Brick Program

Train up a child in the way he should go: and when he is old, he will not depart from it. Proverbs 22:6

As we continue advancing our educational programs throughout the campus, it is important for all who enter here to recognize that our first priority is to develop each child fully as a child of God. To help students develop their relationships with God, this is the source of our inspiration in envisioning the creation of a prayer and memorial garden on our campus. This will be a place where students can pray privately, pray together and honor the past and present SFC Community. All of the paved areas in the garden will be laid with your honor and memorial bricks.

- 1. Who should purchase them?** EVERYONE! We are encouraging everyone associated with Santa Fe Catholic High School to have a brick in the garden – students, faculty, friends, alumni, businesses, parents, grandparents, and future Santa Fe Catholic students.
- 2. How will my donation be used?** Your donation will be used specifically for the memorial garden and for ongoing campus improvements.
- 3. May I give a brick in remembrance or honor of someone special?** Yes! These bricks are a great way to leave a permanent mark for someone you love. (In Memory of...) (Class of...)
