

Santa Fe Catholic's Learning Commons Ribbon Cutting Ceremony & Open House

Wednesday, October 8, 2014

- Ribbon Cutting Ceremony 4:30 PM
- Open House 5:00 -7:00 PM

Over the summer, the Media Center at Santa Fe Catholic was transformed into the Learning Commons. New furniture and technology that emphasize flexibility and collaboration were added. This new space is student centered and designed to meet students' changing needs. Group projects, quiet study time, and space to create are just some of the needs of SFC students.

Drop in any time between 5:00 - 7:00 PM on Wednesday, October 8 and see what's new and exciting in the Learning Commons! Students and teachers will be demonstrating activities in the TEAL Lab, showing how to use the "green screen" in the Broadcast Room, and making new things in the Collaborative Classroom/MakerSpace. The book fair will also be open during this time!

Book Fair in the Learning Commons

The Learning Commons will host a Scholastic Book Fair Monday, October 6 - Friday, October 10. Students can shop during the school day and after school. Online shopping begins October 1. Items purchased online will be shipped for free to SFC. <http://bookfairs.scholastic.com/homepage/sfc>
